Crack!.Q: Como compilar ou subir um
projeto utilizando o Visual Studio 2010?
Oque ocorre quando eu tento executar um
projeto em linguagem.Net 4.0 e a
linguagem.NET 4.0 é uma versão mais
atual? Tentei fazer o Download dos
arquivos para realizar o Download e fiz
algumas pesquisas sobre compilar um
projeto utilizando o Visual Studio 2010 e
vi no site do microsoft: o Visual Studio
2010 possui outro componente:
