
Gothic Instruments Sculptor Epic Drops KONTAKT =LINK=

SCULPTOR Epic Drops is a cinematic sound design tool for Kontakt that delivers the highest quality raw sound through the sound of a Hollywood movie trailer. In addition to two high-quality sound effects such as gunshots and explosions, SCULPTOR Epic Drops also offers sound effects, sound effects, and background sounds that expand the range of the soundtrack as well as make the game more interactive. Sculptor Epic Drops BATTLE TOOLS is a cinematic sound design tool for Kontakt that allows you to customize and create your own sound effects for games.
