With the additional SDUs that were added in The Revenge of the Cartels patch, players will still be able to use this weapon quite often. Removed 2 shells ... Read more As part of the "The Gaming Expo" event, a presentation of "Codescast" was held, which is a collection of 60 different maps for Counter-Strike: Global Offensive. All were released between April 2013 and October 2014, but only about two dozen were available for purchase on gfworld.com. At the moment, the site has ceased to exist and all the games that are presented there can only be downloaded.
